# II Star Party Santiago-Pontones

13-15th October 2017

## STAR WEEKEND IN SIERRA DE SEGURA (JAEN) 3 days/ 2 nights

Do you want to enjoy a magical weekend in one of the darkest places in Europe? Over 1500 meters above sea level, a stunning night sky awaits you.

Take part in an original event, the **II Star Party – International Edition**, it will be full of activities, workshops, lectures, live music under the stars and of course, stargazing sessions with telescopes. In addition, we will discover the essence of the mountain villages, their customs, their gastronomy, the traditional dances, as well as the elaboration and the taste of the most famous local products.
